REGISTERING TO VOTE

To register to vote in Florida you must meet these requirements:

1. United States citizen
2. Florida resident
3. At least 18 years old. If you are 16 or 17 years old and meet all other requirements, you can pre-register to vote.

You lose your right to vote under these conditions:

- If you are “adjudicated mentally incapacitated with respect to voting” by a court, you lose your right to vote. Your right to vote must then be restored by the court.
- If you are convicted of a felony, you lose your right to vote. However, with a few exceptions, your right to vote is restored when you complete the terms of your sentence.

You can register online at RegisterToVoteFlorida.gov. You can also complete a paper voter registration application. The form is available at LeonVotes.gov; the Supervisor of Elections Office; County Tax Collectors Offices; public libraries; public assistance offices; armed forces recruiting offices; or offices that serve people with disabilities.

To be eligible to vote, the completed form must be postmarked or received by the Supervisor of Elections (P.O. Box 7357, Tallahassee, FL 32314-7357) before the 29th day prior to an election.

If you have any questions or need assistance, contact the Supervisor of Elections at (850) 606-8683 or Vote@LeonVotes.gov.
